The Sequim Botanical Garden Society (SBGS) is a nonprofit organization of local volunteer gardeners devoted to providing public education in keeping with our 3 objectives:

1. Demonstrating sustainable gardens and gardening practices,
2. Educating the public in principles of stewardship gardening, and
3. Inspiring visitors to create and maintain their own beautiful landscapes.

Please join us in fulfilling these objectives. Members receive SBGS name tags, discounts on SBGS events, SBGS voting privileges, and provide operational funding for the garden. You are not required to be a SBGS member to volunteer in the Sequim Botanical Garden at Carrie Blake Community Park.
